

**Q1 Do you have any comments about the programme for the event, for example the plenary speakers, parallel sessions or workshops?**

Answered: 27 Skipped: 43

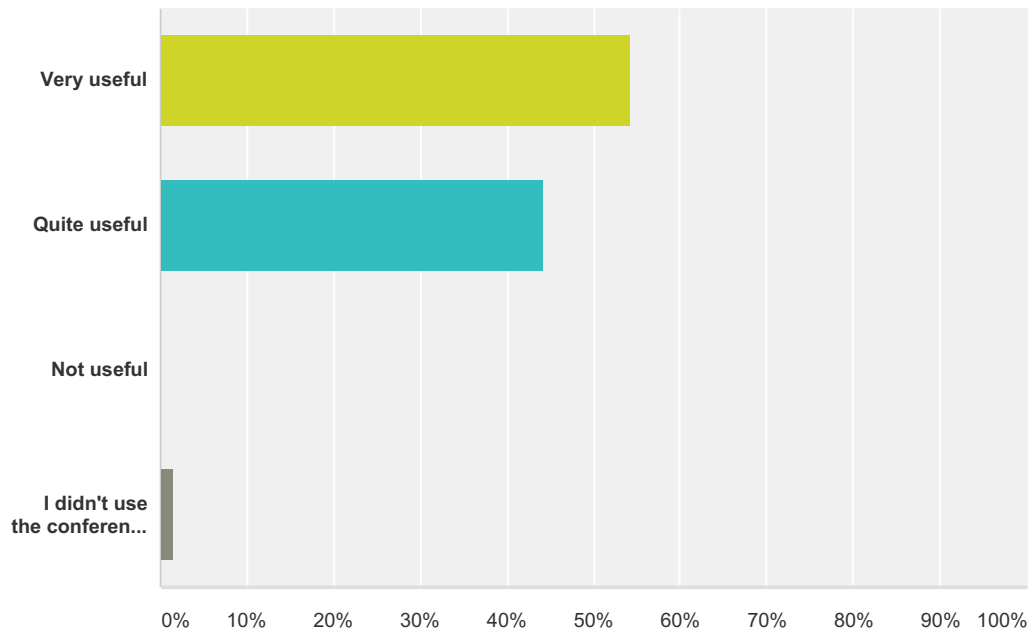

#	Responses	Date
1	The plenary sessions should allocate more time for Q&A maybe by making short the presentation time. The Q&A at the end of each talk is usual very useful and it was a shame it had to be cut to one or max two questions.	5/28/2015 5:59 PM
2	I think that the posters were not sufficiently highlighted.	5/26/2015 2:59 PM
3	Excellent	5/26/2015 1:58 PM
4	Nothing To Report	5/26/2015 1:20 PM
5	No chairperson was assigned to the demo session, no diffusion was made, resulting in a complete mess with participants not being able of presenting their demos in the session.	5/26/2015 12:42 PM
6	The demos in parallel with the FedCloud session on Tuesday was not a good idea, no one went there. Of course this cannot be predictable, but for the next meeting it can be considered.	5/26/2015 12:41 PM
7	Well organised, interesting sessions & presentations.	5/26/2015 12:38 PM
8	Does it really need to be spread over 5 days?	5/26/2015 12:30 PM
9	Excellent and very informative programme	5/26/2015 12:27 PM
10	A lot of speakers were not in time, the consequences are not enough time for questions and too short breaks. Several sessions were too short, discussions were not possible. It is particularly the case for the engagement session (on Thursday evening). This session was also in parallel with 2 other sessions of interest for the same people. Not enough time to discuss with partners and colleagues during the breaks. It is a problem because such conferences are also a good mean to establish relationship with other partners. Several presentations were doubled. It is a loss of time that could be useful for discussions. It is only a question of organisation, the content that was very useful.	5/26/2015 11:17 AM

13	It is good to have it in Portugal. Most sessions are well conducted.	5/24/2015 9:08 PM
14	everything excellent	5/23/2015 3:10 PM
15	Too many parallel sessions, would suggest up to two parallel session. one technical, and one policy. So many sessions were poorly attended. Everything running behind schedule or starting late was a real drag.	5/22/2015 7:37 PM
16	Good programme.	5/22/2015 3:55 PM
17	I think that there should be a separate poster session, in the programme and not coinciding with the talks. This could take the form of an extended coffee break. More effort should be made to keep to time - sessions frequently over ran or started late.	5/22/2015 2:54 PM
18	N(A	5/22/2015 2:45 PM
19	Plenary speakers were of varying quality: some great, some painfully bad. The parallel tracks are always a problem: the fewer the better!	5/22/2015 1:44 PM
20	Some of the keynote speakers clearly didn't know the technical background of the audience. I don't know why they were invited to speak.	5/22/2015 1:13 PM
21	I would prefer less plenary and starting earlier with the parallel sessions to prevent coinciding meetings.	5/22/2015 1:02 PM
22	Good program in general and some excellent presentations in plenary sessions and workshops. The strategy workshop was very interesting but a bit too fast (but I think it was the intention). Most of people is leaving before the conclusion plenary...	5/22/2015 12:31 PM
23	I thought we needed more time for the technical face to face meeting. I mostly came for technical reasons.	5/22/2015 11:31 AM

## EGI Conference 2015, Lisbon

24	The program in general was interesting and relevant. The only complain is about the demo session. It hadn't a moderator, poor promotion and no clear organization. Demos are very valuable assets (I recall the really successful demos of early EGEE) and require a lot of effort.	5/22/2015 11:20 AM
25	Yes, my comment is that to promote a more interactive meeting we need to have less presentations and more pre-gathered material, and an objective to prepare a document with conclusions and new targets.	5/22/2015 11:18 AM
26	we need to add more subjects to this conferences and move away from the regular stuff like security track	5/22/2015 11:16 AM
27	Dear Delegate, We hope that you enjoyed the EGI Conference 2015 in Lisbon. 1	I thought the catering was excellent. Out of all the conferences I've attended one of the best. Would have preferred to have had some tables and seating at lunch time, so didn't have to stand up holding plate.	5/27/2015 10:36 AM
2	I didn't attend the welcome reception. Coffee breaks catering was just perfect. Lunchtime catering was good.	5/27/2015 10:21 AM

6	Coffee was very good (and that was the most important to me about the catering).	5/26/2015 1:27 PM
7	very good	5/26/2015 1:20 PM
8	During breaks: more fruits would have been welcomed, same thing every day is tiring Lunchtime: no chairs/tables !	5/26/2015 1:20 PM

## EGI Conference 2015, Lisbon

32	Very tasty food, plenty of it, delicious sweets during the coffee breaks, all was wonderful, except the orange lemonade: it tasted very artificial. Fresh orange juice would have been the dot on the i :-) The only distracting thing was that there were not enough tables to sit down and enjoy the wonderful food in a relaxed way: consuming it while standing up is very stressful. Chairs, please!!	5/22/2015 1:44 PM
33	The cakes were amazing, the food outstanding. I would have been nice to have a couple of stand-tables during the coffee breaks to be able to form small groups and set your coffee cup down.	5/22/2015 1:13 PM
34	Breaks: good Reception: good Lunchtime: food ok, more seating areas required.	5/22/2015 1:10 PM

36	Fine. I would prefer some coffee before the first talk	5/22/2015 1:02 PM
37	The lunchtime catering was really good. In the coffee breaks we had plenty of nice food. I love the fresh fruits in the coffee breaks for a more healthy snack.	5/22/2015 12:53 PM
38	Very good	5/22/2015 12:31 PM
39	Lunchtime catering could be better...	5/22/2015 12:30 PM

1	O.K. The venue was spectacular but the catering if anything was slightly less good than the conference venue.	5/27/2015 10:36 AM

16	Venue really nice. About the menu , I usually prefer dinner which are not buffet.	5/25/2015 3:09 PM
17	awesome	5/25/2015 1:58 PM
18	Was great as the daily catering the space was quite nice and the Fado session was very good.	5/25/2015 11:51 AM
19	The conference dinner also was well organised and on the very beautiful place, however some participants don't have information that the last station of bus line 727 and 738 after 22:00 hours is Marques de Pombal Square. This created problems when returning to our hotels near University of Lisbon.	5/25/2015 9:46 AM

29	The venue was interesting. It is by now a great tradition that EGI always explores unusual locations. I really love this! Some more tables would have made this a more relaxed experience, though.	5/22/2015 1:44 PM
30	Food was nice. I'm afraid Fado isn't my thing.	5/22/2015 1:13 PM
31	Venue was very interesting. The food was ok but not exceptional. Not enough tables for eating.	5/22/2015 1:10 PM

42	all good	5/22/2015 11:32 AM

1	During Q&A time, poor acoustics due to lack of microphones or people not using them.	5/28/2015 5:59 PM
2	Venue was good. Reasonable walk to hotel.	5/27/2015 10:36 AM
3	The main auditorium was not handicapped accessible The other rooms were ok	5/27/2015 10:21 AM
4	No comments, the choice of hotels and the event was perfect	5/26/2015 2:59 PM
5	It was OK.	5/26/2015 1:58 PM
6	no	5/26/2015 1:20 PM
7	Hard to know which building to go on the first day, Very bad acoustics in the space between the rooms	5/26/2015 1:20 PM
8	No comments. All was fine.	5/26/2015 12:42 PM
9	easy to get there, nice rooms (but a bit scary because of the size) ;)	5/26/2015 12:38 PM
10	Some signs closer to the road would have been useful.	5/26/2015 12:30 PM
11	all good.	5/26/2015 12:27 PM
12	The size of the rooms was OK. Less plugs than needed in seam rooms (b103, b104).	5/26/2015 8:43 AM
13	A bit disturbance in some sessions due to that doors where locked during the session so latecomers had to knock.	5/25/2015 4:16 PM
14	I liked very much the situation and all the rooms specially the auditorium.	5/25/2015 3:09 PM
15	everything fine	5/25/2015 1:58 PM
16	The atrium was a bit noise, but the rooms where quite goods, I think the chairs of the main auditorium was not very comfortables.	5/25/2015 11:51 AM
17	There was not enough sockets to include your computers in the electrical system	5/25/2015 9:46 AM
18	Very good	5/25/2015 9:45 AM
19	The site was not well kept. For example a lot of litter in front of the building.	5/24/2015 9:08 PM
20	excellent	5/23/2015 3:10 PM
21	no, it was generally good	5/22/2015 7:37 PM
22	Acceptable. Having no toilet nearby was inconvenient.	5/22/2015 3:55 PM

28	Venue was fine, easy to get to and quite comfortable.	5/22/2015 1:13 PM
29	Venue was fine. Facilities ok but might have been too crowded with more delegates.	5/22/2015 1:10 PM
30	Most rooms fine, few rooms had poor wifi, also too few power cables. I prefer a site more central in a city, or closer to a park.	5/22/2015 1:02 PM
31	Nice building, with very good team for technical assistance. Some problems detected during the presentations for the access to slides by presenters.	5/22/2015 12:31 PM

## EGI Conference 2015, Lisbon

32	Rooms really should be equipped with electricity plugs, this is a norm nowadays!	5/22/2015 12:30 PM
33	Acoustics in the B103/B104 was not very good (sometimes due to the speakers not properly using the mic) and the upper seats had limited view. Size was adequate for all the sessions attended	5/22/2015 12:16 PM
34	venue is nice... but far from the centre	5/22/2015 11:49 AM
35	Sometimes the rooms were cooled down way too much.	5/22/2015 11:37 AM
36	all good	5/22/2015 11:32 AM
37	It was good.	5/22/2015 11:31 AM
38	Excellent	5/22/2015 11:28 AM
39	Air conditioning was a bit too aggressive (too cold).	5/22/2015 11:26 AM
40	Signage to the venue was awful. I arrived mid week and struggled to find the building and then the location within it. Rooms were fine, some got v stuffy. Great views of aircraft undercarriages ;-)	5/22/2015 11:24 AM
41	Lack of sufficient power plugs, although it was not critical.	5/22/2015 11:20 AM
42	Room C103 had a door which locked automatically so anyone arriving after the start of the session could not enter without someone inside letting them in.	5/22/2015 11:20 AM
43	all right	5/22/2015 11:19 AM
44	Very good facilities	5/22/2015 11:18 AM
45	the venue was an excelent choice for this type of conference	5/22/2015 11:16 AM
46	All ok	5/22/2015 11:16 AM

12	I participated at the poster session. The posters where not very well placed and the large space available in the coffee breaks could have been better used in order to have more people regarding the posters. The poster session was parallel to one of the most interesting workshops and no one was in the poster session. This could be improved in next editions.	5/22/2015 12:31 PM
13	the table for the demo booth was a little bit broken. And the demo session failed its purposse. Algo, some piece or paper/or similar on the demo booth with the provided title for the demos would have helped.	5/22/2015 12:27 PM
14	Good	5/22/2015 11:28 AM
15	The demonstrations should be promoted, since they are quite valuable assets and require a high effort. The facilities were reasonable, but they should be better promoted.	5/22/2015 11:20 AM

5	Lisbon is a very charming city with many attractions to explore, yet it is not as common as, e.g., Paris, which makes it even more interesting. A great choice!	5/22/2015 1:44 PM
6	For a uni venue the EB full week seemed expensive relative to the living costs and type of venue in the host country	5/22/2015 11:24 AM
7	Wonderful conference A bit too much of work, it may need a break in wednesday, 5 days is long... Congratulations to the organization	5/22/2015 11:18 AM
8	Dear Delegate, We hope that you enjoyed the EGI Conference 2015 in Lisbon. We would like to invite you to send us your feedback on the event through our Forum Survey. <a href="https://www.surveymonkey.com/r/EGI_Conference_2015">https://www.surveymonkey.com/r/EGI_Conference_2015</a> Many thanks, and we look forward to seeing you soon in Amsterdam or during the next EGI Forum. On behalf of Yannick Legré, Tiziana Ferrari and the local organisers, I thank you again for your presence in Lisbon and your contributions to the programme and to the discussions during the event.	5/22/2015 11:08 AM

**Q12 The next EGI event will be the EGI Community Forum in Bari in November. Do you have any suggestion for the Programme Committee?**

2	we will certainly discuss this :)	5/26/2015 1:20 PM
3	None	5/26/2015 1:20 PM
4	Follow the same scheme as in Lisbon	5/26/2015 12:27 PM
5	Set up a process for users and communities (inside EGI-Engage and outside EGI-Engage) to contribute talks. Keep the NILs in the loop. Allow discussions during the breaks (more time for coffee and lunch), allow time for discussions during Engagement/NIL sessions ; avoid as much as possible conflicts of attendance in parallel sessions. it will be important if we want CC exchange their experiences. Keep in mind that building/maintaining a community needs time and discussions for its members. Breaks time is time for informal but efficient work.	5/26/2015 11:17 AM
6	avoid wifi IN the room - but provide a room (for people who needs to work - like sys-admin if they need to prepare a production infra...) with good network. people would listen more in the conference!	5/26/2015 10:28 AM
7	less days and lower registration fee	5/25/2015 1:58 PM
8	My suggestion is the conference in Bari to fit into 3 or 4 days. 5 days is too long period, and the conference fee to be decreased.	5/25/2015 9:46 AM
9	No	5/24/2015 9:08 PM
10	Fewer parallel tracks, timely starting/ending of sessions, chime to indicate 5 minutes before a sessions start.	5/22/2015 7:37 PM
11	Poster session as extended coffee break. concerted effort to keep to time.	5/22/2015 2:54 PM
12	No	5/22/2015 2:45 PM
13	Try fewer parallel tracks!! Make sure the plenary speakers are of high quality.	5/22/2015 1:44 PM
14	Track on outreach to people in the 'long tail' (inexperienced users). Would be willing to co-organise.	5/22/2015 1:13 PM
15	Improve the poster session (if any)	5/22/2015 12:31 PM
16	If you lower the price more people will be able to come to the meeting. More discussion, more learning opportunities ...	5/22/2015 11:36 AM
17	Very difficult to get to Bari, but nice place.	5/22/2015 11:32 AM
18	Have a thread to keep us technical people busy. We need more face to face meeting.	5/22/2015 11:31 AM
19	I have to insist on the demo session. I would suggest to have a well-organized main session for presenting the demos in a low-competitive slot.	5/22/2015 11:20 AM
20	Please particular attention to travel information and arrangements since Bari is a relatively provincial town	5/22/2015 11:20 AM
21	See above	5/22/2015 11:18 AM
22	please foresee explicitly vegetarian menus!	5/22/2015 11:15 AM

5	With the only exception of the demo session, the rest of the conference was very well organized. Perhaps, the plenary speakers should be better informed about the background of the participants of the conference. In particular, there were two plenaries where the speakers (Brett Frishmann and Wolfgang Gentsch) seem to be targeting a different public. Many thanks for everything and see you in Bari!	5/26/2015 12:42 PM
6	nice event, well organised, in a beautiful city, thank you!	5/26/2015 12:38 PM
7	One of the best conferences I went to in the last years - part of this was the excellent catering. Don't get me wrong - the programme has to be great, of course, but the excellent coffee and food really made a difference.	5/26/2015 12:27 PM
8	The poster session was not followed due to parallel sessions and the posters were not well localized.	5/26/2015 11:42 AM
