### Abstract

This milestone aims to provide a factual description of the EGI flagship events organised in 2016. The report includes the results of surveys and other information. The first event was the EGI Conference 2016, hosted by the EGI Foundation and held at the foundation's headquarters in Amsterdam, Netherlands, between 6-8 April 2016. The Digital Infrastructures for Research 2016 was co-organised by EGI, EUDAT, GÉANT, OpenAIRE and RDA Europe, and hosted by AGH Cyfronet (28-30 September 2016).

## EGI Conference 2016

The [EGI Conference 2016](#) took place in Amsterdam, Netherlands, 5-8 April 2016. The event was hosted by the EGI Foundation. The goal of the conference was to put research communities, NGIs and EIROs and collaborating e-Infrastructures in the spotlight as key players for the delivery of digital services for borderless science.

The event was attended by 188 participants. The follow-up survey was filled by 40 attendants.

Programme: <https://indico.egi.eu/indico/event/2875/>

## Digital Infrastructures for Research 2016

The [Digital Infrastructures for Research 2016](#) was co-organised by EGI, EUDAT, GÉANT, OpenAIRE and RDA Europe, and hosted by AGH Cyfronet (28-30 September 2016). Designed with research communities in mind, the DI4R 2016 event aimed to foster broader adoption of digital infrastructure services and promote user-driven innovation.

The event was attended by 407 participants, of which 89 filled the feedback questionnaire.
