The present Operational Level Agreement (“the Agreement”) is made between **EGI Foundation (the Customer)** and **CESNET-MCC (the Provider)** to define the provision and support of the provided services as described hereafter. Representatives and contact information are defined in Section 6.

Peachnote is a music score search engine and analysis platform¹. The system is the first of its kind and can be thought as an analog of Google Books Ngram Viewer and Google Books search for music scores. Peachnote is visited by tens of thousands of users every day from all over the world.

The User is a consortium represented by Peachnote.com.

This Agreement is valid from **01/04/2016** to **01/09/2020**.

Once approved, **this Agreement is automatically renewed**, as long as the Provider does not expressed decision to terminate the Agreement at least a month before the end date of the Agreement.

The Agreement was discussed and approved by the Customer and the Provider **14/10/2016**.

The Agreement extends the Resource Center OLA² with the following information:
