The present Operational Level Agreement (“the Agreement”) is made between **EGI Foundation (the Service Provider)** and Department of Physics of Bari University A. Moro (owner with INFN of the **ReCaS-Bari data centre) (the Component Provider)** to define the provision and support of the provided services as described hereafter. Representatives and contact information are defined in Section 6.

PolicyCLOUD¹ aims to harness the potential of digitisation, big data and cloud technologies to improve the modelling, creation and implementation of policy. In three years (2020-2023) the project will address challenges faced by many businesses and public administrations of improving how they make policy decisions by accessing and using data.

The Customer is a consortium represented by **ATOS**.

This Agreement is valid from **01/08/2020** to **31/12/2022**.

The Component Provider will guarantee the availability of the platform for a maximum of 90 days from the end of the agreement, or until the final PolicyCLOUD review takes place (with no additional costs). In order to review the terms and conditions for a possible additional extension, a check-point will take place 3 months before the end of this agreement (September-October 2022).

The Agreement was discussed and approved by the EGI Foundation and the Component Provider on **13/10/2020**.

The Agreement extends the Resource Center OLA² with the following information:

1 The Services

Possible allocation types:

- **Pledged** - Resources are exclusively reserved to the Community and the job will be executed immediately after submission.
- **Opportunistic** - Resources are not exclusively allocated, but subject to local availability.
- **Time allocation** - Resources are available in fair share-like mode for a fixed time period.

Possible payment mode offer:

- **Sponsored** - Model where the customer uses services that are funded, or co-funded by the European Commission or government grants.
- **Pay-for-use** - Model where a customer directly pays for the service used.

The Services are defined by the properties summarised in the following table described in the below links:

- **Cloud Compute:** <https://www.egi.eu/services/cloud-compute/>

The Services are supported by additional services:

- Accounting⁶
- Service Monitoring⁷ (EGI operational Virtual Organization only).

Note: Please note that the following services are not provided by EGI Foundation:

- Monitoring of vo.policycloud.eu.
- Monitoring of services provided by the Customer on agreed resources.

2 Service hours and exceptions

IT services according to the service catalogue are in general delivered during 24 hours per day, 7 days per week (i.e. 365 days or 8,760 hours), to seamlessly support business operations. Planned and announced interruptions may reduce the effective operating time of a service.

⁵ Excluding VAT (reverse charging)

⁶ <http://accounting.egi.eu/>

⁷ <http://argo.egi.eu/>

The following exceptions apply:

- Planned maintenance windows or service interruptions (“scheduled downtimes”⁵) will be notified via email in a timely manner i.e. 24 hours before the start of the outage, to the Customer through the Broadcast Tool⁸.
- The provider must provide justification for downtime periods exceeding 24 hours.
- Human support is provided during support hours.

3 Support

Support is provided via the EGI Service Desk⁹. Access requires a valid X.509 or the login via a EGI SSO account¹⁰. Support is available between:

- Monday to Friday.
- From 09:00 to 17:00 CET/CEST in the time zone of the relevant Resource Centres.

Service times always apply with the exception of public holidays in the country of the supporting Resource Centres.

3.1 Incident handling

Incidents will be handled according to the Quality of Support level that is estimated according to the impact of the outage or service quality degradation.

The Quality of Support in this Agreement has level: **Medium**¹¹

The Quality of Support levels are defined as follows:

Medium level:

Incident priority	Response time	Comment
Less urgent	5 working days	wishes and enhancements that are "nice to have"
Urgent	1 working day	service degraded; workaround available
Very Urgent	1 working day	service degraded; no workaround available
Top priority	1 working day	service interrupted; needs to be addressed as soon as possible

Response time is provided as a service level target.

3.2 Service requests

In addition to resolving incidents, standard service requests¹² (e.g. change requests, information requests, documentation) will be fulfilled through the defined support channels in the same way as incidents. Service requests are classified as “Less urgent”.

4 Service level targets

Monthly Availability

- Defined as the ability of a service to fulfil its intended function at a specific time or over a calendar month.
- Minimum (as an average percentage per month):
 - Cloud Compute: 90%
 - INFN-CLOUD-BARI: 90%
 - Online Storage: 90%
 - INFN-CLOUD-BARI: 90%

Monthly Reliability

- Defined as the ability of a service to fulfil its intended function at a specific time or over a calendar month, excluding scheduled maintenance periods.
- Minimum (as an average percentage per month):
 - Cloud Compute: 95%
 - INFN-CLOUD-BARI: 95%
 - Online Storage: 95%
 - INFN-CLOUD-BARI: 95%

Quality of Support level

- Medium (Section 3)

5 Limitations and constraints

The provisioning of the service under the agreed service level targets is subject to the following limitations and constraints:

- Support is provided in the following language: English
- Downtimes caused due to upgrades for fixing critical security issues are not considered Agreement violations.

¹² <https://confluence.egi.eu/display/EGISLM/EGI+Service+requests>

- Force Majeure. A party shall not be liable for any failure of, or delay in the performance of this Agreement for the period that such failure or delay is due to causes beyond its reasonable control. Means any
 - fire, flood, earthquake or natural phenomena
 - war, embargo, riot, civil disorder, rebellion, revolution
 which is beyond the Provider's control, or any other causes beyond the Provider's control
- Availability and Reliability calculations are based on the Service Monitoring operational results.
- Failures in VO monitoring are not considered as the Agreement violations.

6 Communication, reporting and escalation

6.1 General communication

The following contacts will be generally used for communications related to the service in the scope of this Agreement.

Provider contact	Giacinto Donvito giacinto.donvito@ba.infn.it
Provider technical contact	Marica Antonacci marica.antonacci@ba.infn.it
EGI contact	Giuseppe La Rocca, EGI Foundation slm@mailman.egi.eu SLM manager
EGI technical contact	Matthew Viljoen, EGI Foundation operations@egi.eu Operations manager
Service Support contact	EGI Service Desk (See Section 3)

6.2 Regular reporting

As part of the fulfilment of this Agreement and provisioning of the service, the following reports will be provided:

Report title	Content	Frequency	Produced by	Delivery
Service Performance Report	The document provides an overall	Every 6 months, unless otherwise specified/requested	Component Provider	Email to EGI contact together with invoice for

	assessment of service performance (per month) and OLA target performance achieved during the reporting period based on values from EGI monitoring ¹³	by the customer.		period.
Agreement Violation	Agreement violation justification and a plan for service enhancement	Within 10 working days from the date of notification to/from the EGI Foundation about violation	Component Provider	Email to EGI technical contact together with invoice for period.

6.3 Violations

The Component Provider commits to inform the EGI Foundation, if the Agreement is violated or violation is anticipated. The following rules are agreed for communication in the event of the Agreement violation:

- In case of violations of the Services targets for **four months** or **two consecutive months**, the Component Provider will provide justifications to EGI Foundation.
- EGI Foundation will notify the supporting Component Provider in case of suspected violation via the EGI Service Desk (Section 3). The case will be analysed to identify the cause and verify the violation.

6.4 Escalation and complaints

For escalation and complaints (A customer complaint is a customer's expression of dissatisfaction with an EGI service, either orally or in writing), EGI Foundation contact (Section 6.1) point shall be used, and the following rules apply.

- In case of repeated violation of the Services targets for **four months** or **two consecutive months**, a review of the Agreement will take place involving the parties of the Agreement.
- Complaints or concerns about the Services provided directed to the EGI Foundation contact will be shared with the Service component provider.

7 Information security and data protection

As defined by the EGI Default Operational Level Agreement¹⁴.

The following rules for Information Security and data protection must be enforced by the Component Provider:

- Make every effort to maximise the security level of users' data and minimise possible harm in the event of an incident. Incidents must be immediately reported to the EGI Computer Security Incident Response Team (CSIRT) according to the SEC01 procedure¹⁵.
- For the processing of access data (ie. data related to authentication going through Check-in):
 - The roles according to GDPR are the following:
 - The Customer's Home Organisation holds the role of independent Data Controller.
 - EGI Foundation (the Service Provider) holds the role of independent Data Controller.
 - The Component Provider holds the role of independent Data Controller.
 - In this context there is no need for having any particular agreement in place.
- In the case the Customer, as a Data Controller, is processing any personal data (research data, personal data of their users or visitors) on the provided resources, EGI Foundation holds the role of Data Processor and the Component Provider the role of sub-processor. In that situation, when the Data Controller requests having a DPA signed with EGI Foundation as a processor, an additional subcontractor agreement has to be signed between EGI Foundation and the Component Provider as sub-processor.
- The Component Provider must comply with the EGI Policy on the Processing of Personal Data¹⁶ and provide a Privacy Policy. This Privacy Policy can be based on the Privacy Policy template provided by the AARC Policy Development Kit (PDK)¹⁷.
- The Component Provider must enforce the EGI Acceptable Use Policy and Conditions of Use.
- The Component Provider must comply with all principles set out by the GÉANT Data Protection Code of Conduct¹⁸ (v1.0).
- Security incidents affecting the services described in Section 1 must be reported to abuse@egi.eu within 4 hours after their discovery and handled according to [SEC01: EGI CSIRT Security Incident Handling Procedure](#).

8 Responsibilities

8.1 Of the Component Provider

As defined in Resource Centre OLA²⁰.

Additional responsibilities of the Component Provider are as follow:

- The Component Provider is responsible for monitoring and/or limiting the usage of resources defined in this agreement. EGI Foundation is not responsible for any costs incurred by over usage of what was otherwise defined in this agreement.
- The Component Provider shall not terminate the user allocated resources (virtual machines, storage) without agreement with EGI Foundation.
- The Component Provider should not reboot the user virtual machines without user consent unless it is strictly needed.
- Notification of resource termination shall be provided to the EGI Foundation within 15 calendar days.
- EGI Foundation is not responsible for any costs incurred as a result of resources not terminated by the Component Providers.
- Ensure
 - Sufficient computational and storage resources and network connectivity to support the proper operation of its services, as indicated by passing all relevant Monitoring Service tests.
 - The provisioning of services in itself does not create any intellectual property rights in software, information and data provided to the services provided by the Component Provider, or in data generated by the services provided.
 - A system administrator (person) from the side of INFN-CLOUD-BARI will be available for supporting the project requirements. A package of hours (with a cost not exceeding **5,000** EUR) will be included in the agreement to cover the costs of the system administrator.

²⁰ <https://documents.egi.eu/document/31>

- The full scale deployment of resources will be made available after **1 week** after the signing of the agreement.
- The pledged resources will be used for the deployment of the PolicyCLOUD platform and use cases.
- An orchestrator for the deployment of the containerized components will be available in the Component Provider. The orchestrator should also provide recipes to deploy clusters with Kubernetes, and Spark.
- An additional testing phase of the duration of **10 weeks**, with the full scale of resources, will be available after the signing of the agreement without an additional cost.
- **The availability of the platform for a maximum of 90 days from the end of the agreement, or until the final PolicyCLOUD review takes place (with no additional costs). In order to review the terms and conditions for a possible additional extension, a check-point will take place 3 months before the end of this agreement (September-October 2022).**

8.2 Of the EGI Foundation

As defined in Resource Center OLA and:

- Support coordination with other Component Providers;
- Support coordination and conflict resolution with the User;
- Support the customer with data movement in case of OLA termination.

8.3 Of the Customer

All responsibilities of the User are listed in relevant VO SLA.

9 Finance and Administration

9.1 Service Offers

Component Provider is expected to adhere to the service offer and associated costs provided and agreed timescales, unless changes are otherwise agreed between both parties in writing (See Section 2).

9.2 Invoicing and Payment Schedule

Component Providers are to invoice the EGI Foundation according to the below schedule. Note that invoices need to be accompanied by a Service Performance Report (see Section 6.2).

10 Review, extensions and termination

This agreement is subject to review on an annual basis (at the end of the calendar year from the service delivery date and before the 15th. of Dec.) by which a customer performance validation will be conducted and a report produced (see Section 6.2).

The continuation of this agreement is subject to successfully meeting customer performance requirements outlined in Section 4.

Reviews of the agreement can be performed at any time by written request by any party.

If the Customer wishes to extend the duration after the Agreement termination date, an extension will be negotiated with EGI Foundation.

EGI Foundation retains the right to introduce changes in the Service, in which case the Customer retains the right of terminating the Agreement.

The Agreement can be terminated at any time upon agreement of the parties. Amendments, comments and suggestions must be addressed to EGI Foundation and the Customer according to Section 6.
