The present Operational Level Agreement (“the Agreement”) is made between **EGI Foundation (the Service Provider)** and **INFN-CLOUD-BARI (the Component Provider)** to define the provision and support of the provided services as described hereafter. Representatives and contact information are defined in Section 6.

C-SCALE's vision is to empower European researchers, institutions and initiatives to easily discover, access, process, analyse and share Copernicus data, tools, resources and services through the EOSC Portal in a way that can be seamlessly integrated into their processes and research practices.

The Customer is a consortium represented by the **Deltares**

This Agreement is valid from **01/06/2021** to **30/06/2023**.

Once approved, **this Agreement is automatically renewed**, as long as the Component Provider does not express a decision to terminate the Agreement at least a month before the end date of the Agreement.

The Agreement was discussed and approved by the EGI Foundation and the Component Provider on **31/05/2021**.

The Agreement extends the Resource Center OLA¹ with the following information:

1 The Services
