

NGI International Task Metrics MS109

Main	EGI-inSPIRE SA1	Tools	Middleware	Documentation	Grid Oversight	Security	Performance	Interoperability
------	-----------------	-------	------------	---------------	----------------	----------	-------------	------------------

This page provides the metrics for the NGI's international tasks. **From PM1 to PM10.**

The following table(s) is maintained by EGI.eu

Partner data		Services deployment metric	Integration metrics				Infrastructure metrics/Y1 estimates			Support metrics			Core services		Performance Metrics		
NGI acronym	Partner name	Staged rollout components/Num. patches staged rollout	Num. MPI sites	MW Stacks planned	Num.
